My Dear Mr. Fox

I take this opportunity to address you a few lines hoping it may find you on good health and still occupying your same position as you when I left the Mint and my best respect to all of the Ladys and Gentlemen for the fair treatment I received from them. I arrived in San Francisco about 7 of April right side up with case but this I have one of the worst colds I ever had I have.

I hope Mister Fox you give Mr. Drexel my kindest respect for his kindest favor with the greatest respect.
